

Welcome to Sunshine!

Everyone at Sunshine School Fashions is delighted to be of service to your school and family. In order to make your shopping experience more comfortable, we offer the following tips to make the process more expeditious. We have several levels of service...you choose what works best for you!

1. On-Location Service on your school's campus. All schools new to Sunshine receive this visit and it is the best way to be a 'first-time customer'.
2. At your local store (where available)
3. Through Customer Service (800) 354-7724
4. On-Line at www.sunshineuniforms.com

Every family receives a Sunshine "Yellow Card" with your dedicated customer number. Using your number when you shop saves time and the number does not expire (this is also your access code for shopping on-line).

How to get your personal customer #?

At your local store (where available):

Tuesday - Friday 10:00 am - 6:00 pm
Saturdays 10:00 am - 4:00 pm

Tuesday - Saturday 10:00 am - 6:00 pm (July & August)

When you visit your local stores let our friendly personnel know you are new to Sunshine and they will gladly create a customer number and give you a Sunshine "Yellow Card" with the number on the back. Keep in your wallet for easy access. Use this number every time you shop!

Through Customer Service:

(800) 354-7724
Monday - Friday 9:00am - 5:00pm.

Please allow our customer service representative to take contact info and create a personalized customer number for you and then place your order over the phone. Use this number every time you shop!

Please remember that all garments are sized differently; we are here to help you and ensure your children look good and feel comfortable. Allow us to help you find your "Sunshine size".
